

20 YEARS then and now

From the desk of Tim Cash

2009 marks that I have officially been on staff with UPI for twenty years. WOW!!

20 years = 7,300 days = 175,200 hours = 10,512,000 minutes

It's been said that time flies when you are having fun and I have to admit that I have really enjoyed the opportunity to serve Christ with such a cool ministry. Twenty years ago I packed up my stuff and loaded it in my little Mazda pickup and drove from Newnan, GA to Warsaw, IN. Looking back, I had NO clue as to *what I was doing...where I was going...who I would be associating with?*

- **I knew that God had touched my life when I trusted Jesus as Savior and Master.**
- **I knew that God had placed a burning in my heart to share the gospel with others.**
- **I knew that God was leading me to minister in baseball.**
- **I knew that without faith it was impossible to please my King.**
- **I knew that much... and not much more.**

So I stepped out in Faith – Trusting that God would point me in the direction I was to go – and provide for me as I walked with Him.

Twenty years later...

- **I know that God is still God!**
- **I know that stepping out in Faith and trusting Him to lead and direct is essential!**

- **I know that the Great Commission hasn't changed – Preach the WORD!**
- **I know that He has continued to burn my heart to reach those in baseball!**
- **I know that God has blessed me with an incredible wife!**
- **I know that God has gifted us with five invaluable children!**
- **I know that God has given Favor & Friendships that are lasting!**
- **I know that I am most blessed of all men!**
